

RCRIS HANDLER INFORMATION REPORT January 1998
PROCEDURES for Inspectors/Investigators/etc. performing Site Visits

Present the Facility representative with a copy of their:

- RCRIS Handler Information Report (attached)

Our instructions to them are printed on their RCRIS Handler Information Report - and should be self explanatory. If the facility wants to revise their RCRIS Handler Information Report, they can do so and mail it back to EPA - or have the inspector deliver it.

If during the course of the site visit, the inspector/investigator becomes aware of any changes which should be made to the information printed on this form, please make the corrections and return the form to: Harriett Jones, ARTD/IRSP.
